

Continuous Professional Development Learning Activity

Name: _____

Location and date: _____

Type of Learning Activity: _____

Learning outcomes

What have you learnt?

Reflection

How do you plan to apply the knowledge learnt? Is there anything you will do differently as a result of the training? (The Action Plan can help guide you).

Future training needs

How has this activity supported your personal and professional development and how can you develop and apply this knowledge in the future? (What other training might you require to support your continuing professional development?)
